Quality Policy

It is the policy of the company to manufacture products that meet or exceed the requirements of the customer in terms of quality, reliability, delivery and competitiveness.

The company commits to a continual program of improvement in all areas to enhance the quality management system.

The company commits to being pro-active in assessing risks and opportunities in all aspects in order to maximize customer satisfaction while minimizing any negative influences.

A handwritten signature in black ink, appearing to read 'Andrew Walton', is written over a light gray horizontal line.
